The Art of the Suite: A Piano Recital with Commentary by Alan Mallach

Saturday, November 21, 2015, at 8:00 PM, Borough Hall

Bach may have perfected the Baroque suite of dances, but that has not kept composers like Mozart, Grieg, Debussy, and many others from taking off from Bach, playing with the idea of the suite and adapting it to their own times and styles. Starting in the 1600s and running up to the 1980s, Alan Mallach will play suites by Buxtehude, Bach, Mozart, Suk, Enesco and Donald Martino, and will talk about what makes a suite a suite, and how each of these composers made it their own.

There is a suggested donation of \$5 per person.

Electronic Presentation Portfolio

Saturday, December 12, 2015 at 8:00 PM, Borough Hall

Although many of us focus on traditional media, much of the working talent now focuses on electronic media. Even those working in traditional media turn to the web and interactive delivery to market and sell their work with online portfolios and interactive delivery systems, using computers, tablets and phones as their tools. We will provide a brief overview and demonstrate some of the most effective and user-friendly ways to put your work into an electronic form for viewing and marketing.

There is a suggested donation of \$5 per person.
